

MILLESIMA

BORDEAUX

EN-PRIMEUR 2020

*"Probably the most qualitative trilogy
in the modern history of Bordeaux"*

Sixth Major Offer

Following the 2019 and 2018, the 2020 vintage completes what is probably the most qualitative trilogy in the modern history of Bordeaux, lending the trio its complementary colour and style.

As always, all the en-primeur wines proposed by Millesima are exclusively bought at the producing estates.

BORDEAUX 2020

Sixth major offer en-Primeur

On the Left Bank, from Saint-Estèphe to Margaux, via Saint-Julien and Pauillac, and without forgetting Pessac-Léognan, the 2020 Bordeaux Primeurs stand out for **their colour and structure**. These great terroirs did not suffer from water stress, producing **fine wines steeped in elegance, made to withstand the passage of time**, while also being accessible in their youth.

And when it comes to the 2020 Bordeaux Primeurs from the **Right Bank**, particularly those of Pomerol and Saint-Émilion it is impossible not to praise the **historic quality of the Merlot**. The colour was simply remarkable and the juices revealed **delicious fruit upon a solid tannic structure**. The en primeur wines of the Right Bank stirred up great enthusiasm at the very first tastings.

The dry conditions at the end of the season did not necessarily make everyone happy, and the sweet wines of 2020 **Sauternes and Barsac** kept the winegrowers of these appellations on edge. The famous noble rot took a long time to appear and it required great attention and self-sacrifice on the part of the vineyard teams to bring this 2020 vintage to fruition. The harvest, therefore, showed very low yields, but the resulting wines are **superb, marked by a very nice balance and aromatic profiles** that make the mouth water.

Finally, the 2020 **white Primeurs of Pessac-Léognan and Bordeaux Dry White Wines** were successful for the most part, despite the hot temperatures of the summer, which threatened a lack of tension and freshness in the wines. The clay-limestone terroirs produced **very beautiful, tasty and balanced wines**, less exuberant than those of 2019, but nevertheless endowed with a **beautiful finesse**.

Terms and conditions in Hong-Kong - En-primeur wines

This offer is valid until 3 November 2022. This offer is only available to private individuals, and not to importers or distributors. Our prices are in HK\$, according to availability. Photos and illustrations non contractual. E&OE.

Your en Primeur order: payment by credit card or transfer is imperatively due on order for the full amount. Once we have received your order with the corresponding in bond payment, we will send you a pro-forma invoice proving rightful ownership. Once the wines become available we will invoice you the transport, currently for 40€ per case and a 10€ handling fee for each case. You can also mix 2 different wines (2x6 bottles) in one case with no extra charge. Given the extremely rare or speculative nature of some of our products, the assumed average consumption of a private individual and our aim to satisfy each and every customer of ours, we reserve the right to apply restrictions on available quantities, or even to cancel an order which appears to be obviously abnormal.

Delivery of your wines: early 2023 for 2020 primeurs. Delivery to one address in mainland is free. All orders are confirmed through the mailing of the invoice but the delivery of the order is subject to the full and entire payment on the stated price.

Cancellation: according to the exception provided for in the paragraph g of the article 10 of the European Directive on the right of withdrawal, we are free from contracts concerning the sale of an primeur wine (subject to our own decision).

Please note carefully that the consumption of alcohol may be harmful, drink with moderation. The sale of alcohol is prohibited to minors.

Read our complete General Terms and Conditions on www.millesima.com.hk or upon request.

I wish not to receive anymore commercial offers from the Millesima Company. My address will automatically be removed from your database.
