FINE WINE

BORDEAUX **EN-PRIMEURS 2024**

A highly anticipated vintage

ALREADY RELEASED MONDAY 05 MAY 2025

As always, all the en-primeur wines proposed by Millesima are exclusively bought at the producing estates.

BORDEAUX EN-PRIMEUR 2024

The year 2024 will go down as one of the most significant in French climatic history. Paradoxically, it was one of the ten wettest years on record and one of the five hottest since records began in 1900.

These unusual conditions have had an impact on wine production, leading to a significant drop in volumes. However, thanks to the expertise and resilience of our winegrowers, the 2024 vintage promises to produce wines of great quality, distinguished by their freshness, balance and aromatic intensity.

Philippine Dunoyer has tasted all the wines of the vintage and will be delighted to share her tasting notes with you.
