Premiers Crus Classés

The Left Bank Growths (Médoc, Graves and Sauternes) were listed in the famous 1855 classification, whereas those on the Right Bank, in Saint-Emilion, undergo a new classification every decade. Not only do the First Growths symbolize Bordeaux, they are an important part of France's reputation and renown around the world. The mere mention of their names can bring joy to ardent collectors and wine lovers alike!

The Premiers Crus Classés are available in restricted quantity.

Sauternes & Barsac

The sweet white wines of Sauternes are made some 50 or so kilometres upstream from Bordeaux, between the left bank of the Garonne river and the Landes forest.

The vineyards include several villages from the world-famous Sauternes itself to lesser known communes such as Barsac, Bommes, Fargues and Preignac. Made from the classic white Bordeaux grape varieties (Semillon, Sauvignon and Muscadelle), these complex, rich, sweet wines owe their distinctive quality to late ripening and the grace of *Botrytis Cinerea*, also known as Noble Rot.

CHABLIS

Located in the Auxerre region, halfway between Beaune and Paris, the production area of Chablis covers 5,400 hectares. Organized in hills and valleys bordered by woods, a single grape variety is cultivated in these vineyards: Chardonnay. Early maturing, it does best on these poor limestone soils. In Chablis, Chardonnay has found a very well-bred expression of minerality and iodine flavor, all well transcribed in wines: a characteristic signature due to small fossilized oysters from the Kimmeridgian Era.

Alsace

Authenticity and typicity are the hallmarks of the best Alsace wines. Produced on exceptional terroirs, these wines are identified by grape variety, the best of which are Riesling, Muscat, Gewurztraminer and Pinot Gris.

Alsace's finest white wines offer a real voyage of discovery for the palate:

- The late harvest or "vendanges tardives" wines, made with grapes that have reached the stage of over ripeness or "surmaturité",
- The "Sélections de Grains Nobles", as their name suggests, are made from grapes that are harvested by hand, berry by berry, and which have been attacked by Noble Rot, Botrytis Cinerea.

Loire Valley

The vineyards of the Loire Valley, the third largest French winegrowing region, are a study in balance: between North and South, suavity and freshness, tradition and modernity. Combined with a temperate climate and sumptuous terroirs, the wines of this region are lively and beautiful.

The Loire is known for its single varietal wines: Melon de Bourgogne in the Nantes region, Chenin Blanc, Cabernet Franc and Gamay in Anjou, Saumur, and Touraine, and Sauvignon Blanc and Pinot Noir in the Centre region.

Rhone Valley

The typicity of wines from the Rhone Valley comes from the unique mix of soils, grape varieties, and the Mediterranean climate. 23 grape varieties are permitted in their production. The main varieties used are Syrah (predominant in the Northern Rhone) and Grenache (widely planted in the Southern Rhone), along with Mourvedre, Cinsault, and Carignan for red wine. Viognier and Marsanne dominate the white wines. Of course, whatever the varietal, Rhone wines always impress with their diversity and quality.

Provence

Located between the Mediterranean and the Alps, the Provence vineyard extends over 200 kilometres from west to east. Its relief is diversified and is constituted of two geological blocks.

The Provence is a historical specialist of rosé and seduces by its sensational fruit and its generosity. The Bandol, Coteaux Varois en Provence, Côtes de Provence, Sainte-Victoire, Baux de Provence or even IGP Méditerranée and Vaucluse appellations are also the birthplace of quality red and white wines.

2017 Rosé wines

Rosé is a festive wine. Foretelling the sunnier days of Spring and Summer, conviviality and lounging, it remains at first and above all a wine. Rosé is either produced by maceration, pressing or bleeding. Whether it is a Rosé to quench your thirst or to match the finest gastronomic meal, its aromas of strawberries, fruit drops, lychee, tangerine, morello cherry... are always appealing. Numerous chromatic nuances strong, such as raspberry, rosewood, pink marble, flesh, salmon and coral, this is the ideal wine to "voir la vie en rose".

Champagne

Good Champagne has to be one of the world's finest wines. Served cool (but not icy cold!) it expresses all its finesse, freshness, elegance and complexity, coming from grapes grown on steep slopes in very distinctive terroirs, in a relatively harsh climate for viticulture. Add to this Champagne's major grapes, Chardonnay, Pinot Noir and Pinot Meunier, the typicity of each Cru and the skill of the winemakers and you have a superb range of styles and flavours that has made Champagne's reputation for centuries.

Rosé Champagne

The current trend for rosé Champagne nearly hides the long history of the product. Before the advent of sparkling Champagne, all the wines of the region were tinted in shades of pink. It was common to encounter grey, claret, partridge-eye pink or even onion-skin red wines. The visionary Barbe-Nicole Cliquot offered sparkling pink Champagne as early as 1804. For most producers, the colour is obtained by blending red and white wines together. Indeed, Champagne is the only appellation in France authorised to use such methods. With its use of Pinot Noir and Pinot Meunier, rosé Champagnes have stronger, more vinous flavours than white Champagnes.

Italy

Italy, which ranks just before France in terms of overall wine production, is one of the rare countries where vineyards are equally spread from North to South. A great variety of soils gives birth to unique local varieties, including Nebbiolo and Sangiovese...

From Piedmont to Tuscany, through Lombardy and the Veneto, one finds wines of rare singularity across Italy.

PIEDMONT

Surrounded by the Alps and the Apennines, Piedmont produces great red wines from local grape varieties and excellent terroirs. One of the finest grape varieties, Nebbiolo, provides the unique characteristics for two of the region's most celebrated wines, Barbaresco and Barolo.

TUSCANY

Since Antiquity, Tuscany has been a land of wine-growing tradition. Its gentle undulating hills and a Mediterranean climate are the ideal ingredients for producing wine of quality. Its red wines enjoy a worldwide fame, with iconic names from Bolgheri, Brunello di Montalcino and Chianti Classico.

TRENTINO ALTO ADIGE

While Trentino Alto Adige may be better known for its white wines, its red wines are not to be overlooked. Native grape varieties such as Lagrein or Teroldego Rodaliano, as well as international ones such as Cabernet Sauvignon or Merlot, are found in the Adige valley, where altitudes range from 200 to 1000 metres. The unique soils are the backbone of the identity of the regional style, which sees influences from its history, culture, and climate.

ALTESINO Brunello di Montalcino DOCG 2011

Grand Classic of Montalcino... True value of the appellation, this **100% Sangiovese** is charming on the nose (with notes of violet, vanilla, and wild berries) and welcoming on the palate. Its chiselled structure hints at an exceptional capacity for ageing, even if it is drinking very well now.

ANTINORI BADIA A PASSIGNANO Chianti Classico DOCG "Gran Selezione" 2010

A perfect representation of terroir by one of the biggest names in Italy... This Gran Selezione (the most selective category in Chianti) is the result of a marriage of its specific terroir in Chianti and its varietal: **100% Sangiovese**. The result is an elegant wine, very ripe and aromatic.

CHIARA BOSCHIS Barolo DOCG "Via Nuova" 2009

Handcrafted Barolo... Respect of the environment and the soil, handcrafted in the vine and in the winery... the wines produced here are the fruit of true passion. This Via Nuova 2009, **100% Nebbiolo**, stands out with its velvety texture and an intense nose of spices, almonds and dried flowers.

CONTERNO FANTINO Barbera d'Alba DOC "Vignota" 2016

Lushness in the foothills of the Alps... Organic winemaking, hand-harvesting, native yeast, little added sulphites... the result is a remarkable purity of fruit offering pure pleasure with every sip.

ENDRIZZI Teroldego Rotaliano Superiore DOC "Teroldego Riserva" 2014

Teroldego or the "Prince of Trentino"... The old vines of Teroldego, a varietal native to Trentino, are planted in pergolas, producing a deep, complex wine, powerful and concentrated yet superbly balanced with a refreshing quality typical of its terroir.

PRUNOTTO Barbaresco DOCG "Bric Turot" 2010

A great Nebbiolo from Piedmont... An expert in Nebbiolo, the emblematic grape of Piedmont associated with Barbaresco and Barolo, Prunotto created in this 2010 vintage a full-bodied, well-ripened wine with marked floral notes and a minerality that give it a beautiful identity.

Authenticity

Since the beginning, each wine offered by Millesima has known only two cellars: Those of the producing estate and our own. All of our wines are purchased exclusively and directly from the producing estates and stored in our own cellars allowing us to guarantee the quality and the authenticity of each bottle we offer.

2,500,000 bottles are slowly and securely maturing in optimal conditions in our 8,000 square metre cellars in the heart of Bordeaux.
