The 2022 vintage is exceptional, its unique and highly assertive identity shaped by extreme weather events throughout the year, chiefly a particularly hot and dry summer. The capacity to adapt, both in the vines and in those who work them, combined with the resilience of Bordeaux's great terroirs, resulted in a historically early harvest with grapes that ripened evenly and perfectly.

It is hard to find a similar vintage for reds, because the wines produced are so unique. They are characterised by a harmony between warm, dense and velvety body and a sublime elegance. This is brought by the exceptional finesse of the tannins and a fresh-scented aromatic bouquet – a paradox in this sunny vintage. **Never heavy, the red wines produced in 2022 are graced with a completely new kind of balance.**

The dry white wines are gourmet, full-bodied and expressive. These are wines that can be enjoyed immediately, and will give great pleasure when young.

In sweet wines, the vintage is superbly rich. After several difficult years, the sweet wines produced are fully worthy of this historic vintage.

Philippine Dunoyer has tasted all the wines of the vintage and will be delighted to share her tasting notes with you.

Terms and conditions in Hong-Kong - En-primeur wines
This offer is valid until 31 July 2024. This offer is only available to private individuals, and not to importers or distributors. Our prices are in HK\$, according to availability. Photos and illustrations non contractual. E&OE.
You en Primeur order: payment by credit card or transfer, is imperatively due on the day of the order. Once the order is placed, we will send you a pro-forma invoice proving our ownership. Once the wines become available we will invoice you the transport, currently looking at HK\$ 400. Given the extremely rare or speculative nature of some of our products, the assumed average consumption of a private individual and our aim to satisfy each and every customer of ours, we reserve the right to cancel the order in whole or in part, or to substitute the order with an available quantity, or even to cancel an order which appears to be obviously abnormal.
Delivery of your wines, early 2025 for 2022 primeurs. All orders are confirmed with the date of delivery of the order. The delivery of the order is subject to the full and entire payment of the stated price.
Cancellation: The customer has a delay of seven working days, as from the receipt of this order, to cancel his order. After this delay, the order will be considered as firm. These arrangements are not applicable to orders including personalized or specific demands from the customer (special formats, personalized packaging).
Please note carefully that the consumption of alcohol may be harmful, drink with moderation. The sale of alcohol is prohibited to minors.
