EN-PRIMEUR 2022

Fourth major offer En-primeur

These prices are valid until July 31, 2024

The 2022 vintage is exceptional, its unique and highly assertive identity shaped by extreme weather events throughout the year, chiefly a particularly hot and dry summer. The capacity to adapt, both in the vines and in those who work them, combined with the resilience of Bordeaux's great terroirs, resulted in a historically early harvest with grapes that ripened evenly and perfectly.

It is hard to find a similar vintage for reds, because the wines produced are so unique. They are characterised by a harmony between warm, dense and velvety body and a sublime elegance. This is brought by the exceptional finesse of the tannins and a fresh-scented aromatic bouquet – a paradox in this sunny vintage. **Never heavy, the red wines produced in 2022 are graced with a completely new kind of balance.**

The dry white wines are gourmet, full-bodied and expressive. These are wines that can be enjoyed immediately, and will give great pleasure when young.

In sweet wines, the vintage is superbly rich. After several difficult years, the sweet wines produced are fully worthy of this historic vintage.

Philippine Dunoyer has tasted all the wines of the vintage and will be delighted to share her tasting notes with you.
