# BORDEAUX EN-PRIMEUR 2023

A true vintage of terroir and know-how, 2023 shows a profile as unique as the climatology that accompanied it.

If the wine profiles are varied and will delight all palates, a general trend outlines a vintage of high quality.

The wines present both a classic Bordeaux structure of great freshness, marked by well-defined tannins for the reds, while offering a bright aromatic profile with excellent maturity.

Philippine Dunoyer has tasted all the wines of the vintage and will be delighted to share her tasting notes with you.
